

Third Convocation at Baba Mastnath University, Asthal Bohar, Rohtak, Haryana

On 8th November 2022, Baba Mastnath University proudly hosted its Third Convocation Ceremony, organized by the Faculty of Pharmacy under the Department of Pharmaceutical Science. The event was graced by the esteemed presence of Hon'ble Shri Jagdeep Dhankhar Ji, marking a significant milestone in the academic journey of students. Convened by Dr. Anjana Rao and co-convened by Prof. (Dr.) R. S. Yadav, the convocation symbolized the culmination of years of dedication and hard work by the graduating students. It was a day of celebration, reflection, and inspiration for students, faculty, and guests alike.

The convocation ceremony commenced with a formal procession and the lighting of the ceremonial lamp. The convener, Dr. Anjana Rao, welcomed the dignitaries and participants, setting the tone for an inspiring and momentous occasion. Hon'ble Shri Jagdeep Dhankhar Ji delivered the keynote address, emphasizing the transformative power of education in shaping the future of individuals and societies.

Degrees and honors were conferred upon 22 graduates from the Faculty of Pharmacy, recognizing their academic achievements and dedication. The co-convener, Prof. (Dr.) R. S. Yadav, delivered an address highlighting the significance of the pharmaceutical profession in promoting health and well-being. The event concluded with a vote of thanks and a sense of pride and accomplishment shared among all attendees.

The Third Convocation Ceremony was not only a celebration of academic excellence but also a reflection of the university's commitment to contributing to society's progress. Graduates from the Faculty of Pharmacy are poised to play a critical role in advancing healthcare, addressing global health challenges, and ensuring equitable access to medicines.

This event aligns with the United Nations Sustainable Development Goals (SDGs), particularly SDG 3 (Good Health and Well-being) and SDG 4 (Quality Education). By producing skilled professionals equipped to improve healthcare systems, the university is contributing to the global effort to enhance public health and reduce disparities in access to healthcare services. The convocation underscored the societal importance of pharmaceutical sciences in promoting health, innovation, and sustainable development.

The event witnessed the enthusiastic participation of 22 graduates, faculty members, and dignitaries. It provided a platform for the university to showcase its academic excellence and its dedication to fostering well-rounded professionals. Graduates left the convocation hall not only with their degrees but also with a renewed sense of responsibility to contribute positively to society.

The ceremony reaffirmed Baba Mastnath University's commitment to nurturing future leaders who are equipped to address pressing global challenges. By fostering academic excellence and aligning its mission with the SDGs, the university continues to strengthen its role as a transformative force in education and society.

The Third Convocation Ceremony of Baba Mastnath University was a landmark event, celebrating the achievements of graduates and inspiring them to contribute meaningfully to society. By aligning education with global sustainability goals, the university reaffirmed its commitment to empowering students to make a positive impact on the world. The event was a testament to the university's vision of academic excellence, social responsibility, and holistic development.
