SHIV KUMAR SHARMA  
ROHTAK, MAR 24

An anti-ragging pledge programme was organized by the Faculty of Science at Baba Mastnath University, Rohtak, reaffirming the institution's commitment to a safe and inclusive campus environment. The programme was conducted by the university's Anti-Ragging Cell and the Department of Zoology in collaboration with the Internal Quality Assurance Cell (IQAC). Around 50 students actively participated and expressed their commitment against the practice of ragging.

Dean of the Faculty of Science, Dr Manoj Kumar, attended the event as the chief guest and addressed the students, stating that a healthy and progressive academic environment can only be ensured when students uphold values of mutual respect, discipline, and sensitivity in their conduct.

The programme was coordinated by Dr Surita (Convener), Dr Sani (Co-Convener), and Dr Parveen (Secretary). Faculty members including Dr Ravi Kumar, Dr Anam Yadav, and other members of the science faculty were also present, reiterat-

ing the institution's zero-tolerance policy towards ragging.

During the programme, students and faculty members collectively took a pledge to refrain from ragging and to report any such incidents to the authorities without delay. Speakers highlighted the legal consequences, institutional policies, and social impact

of ragging, emphasizing that it is not merely indiscipline but a punishable offence with serious repercussions.

Students were also encouraged to welcome newcomers in a positive and supportive manner to foster an environment of trust, safety, and camaraderie on campus.
